CURVY reality TV star Gemma Collins unleashed her wild side yesterday as she posed NUDE for top animal charity PETA.

The 32-year-old – star of ITV2's *The Only Way Is Essex* – showed off the poster of her in the buff, in which she even proudly displays a glistening pearl necklace.

Gemma, who was peeling-off for an anti-fur campaign, says "beauty comes in all shapes and sizes".

The well-rounded beauty added: "You don't have to be a size 8 to feel beautiful, but you do have to be comfortable in your own skin."

West will test Russian Syria plan in the UN

BRITAIN, France and the U.S. are to table a resolution at the United Nations Security Council to "test" Russian proposals for Syrian president Bashar Assad to hand over his chemical weapons, David Cameron has announced.

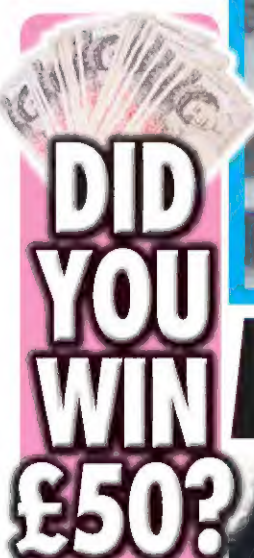

The UK has given a cautious welcome to the proposal put forward by Russia, but the Prime Minister has warned that the plan must not be a "distraction" from ensuring action is taken in response to the use of nerve gas against civilians in Damascus.

He spoke by phone with U.S. president Barack Obama, who is seeking approval from Congress for military action against the Assad regime. Mr Obama also spoke to French president Francois Hollande.

Mr Cameron later told a panel of MPs the Russian plan was "an interesting proposal", adding: "If it is a serious one, then it is one we should take very seriously, because it could achieve a major goal – to get rid of chemical weapons."

Announcing the plans for the UN resolution, the PM said: "It is important to make sure this isn't some delaying tactic, some ruse."

He added that Syria's chemical weapons arsenal was the biggest in the world and the plan should mean that it is not only handed over to an international agency but also destroyed.

MUM SHOT DEAD IN FAMILY HOLIDAY BLOODBATH

HORROR HOUSE: Gardener is being held by cops

Gunman opens fire at birthday bash

A MAN suspected of killing a British woman and leaving her son and mother injured in a shooting in Turkey is in custody as police probe the incident.

The Turkish ministry of culture and tourism confirmed the death of Anne Bury, 56, and said her son, Alex, remained in hospital.

Ms Bury's mother, Cecilia Bury, who is in her 80s, has been discharged after treatment.

The Brits were allegedly shot by the gardener at their holiday villa in the resort of Dalyan while celebrating Anne's birthday.

Turkish TV showed detectives searching the property, where balloons and other evidence of a celebration were still visible.

According to reports, the gardener had argued with the family, who reported him to Turkish police. He was detained, but on his release allegedly headed back to the villa and opened fire.

He is said to have given himself up after the shooting and is due in court.

The ministry statement said: "The chief suspect has been arrested and is currently under custody, while a full

investigation is under way. Cecilia Bury has been discharged from hospital while Alexander Gerard Bury is in a stable condition there."

News of the shooting shocked neighbours in Ms Bury's village of Swainby, North Yorks, who said the family were lovely people who never got in trouble.

They said Ms Bury's son lived with her and is in his early 20s. Her mother is from Middlesbrough.

Stephen Garbutt, 72, who lives in the adjoining bungalow to the dead woman, said: "I never ever heard a bad word, or a cross word or anything like that from any of them."

"How on earth they got into this situation I cannot imagine. I have never known Anne, for want of a better word, in trouble."

Mr Garbutt said his neighbour, who trained as a midwife, had been working for an oil company in Dubai in a health role. Alex was working locally but hoped to restart his studies in medicine after taking a year off university and Cecilia was "a real lady".

Charlotte will fart her way to Big Bro crown

GEORDIE Shore babe Holly Hagan has backed her co-star Charlotte Crosby to win *Celebrity Big Brother* – because she's not afraid to FART and BOMK on camera!

Busty 21-year-old Holly (above) has starred alongside Charlotte, 22, on the MTV show ever since it was launched two years ago.

And she says people will love the brazen brunette because she's willing to show people her muckiest ways.

She said: "Charlotte won't hold back. She does things openly that most people only do in secret. People fart, they have sex..."

"She's farted in the diary room, punched a cake, wet the bed, sung random songs... it's all part of who she is."

"I would put money on her winning. I think people, whatever their age, are warming to her."

"I'll go down for the final – I know she'll be in it. She has a heart of gold and people can see that."

Louis: Simon's not gay...he's just thick

BRAVE Louis Walsh could soon be looking for a new job after branding his *X Factor* boss Simon Cowell **THICK!**

The Irishman has been employed by ITV1 star Cowell, 53, for almost 10 years.

But the cheeky judge risks losing his place on the telly show panel after saying Simon didn't have a lot between the ears.

Louise, 61, rapped: "He's unusual. He's very daft. He's interesting. He's slightly wacky and funny, and he's just different."

"I don't think he's overly clever. I think he enjoys life."

But Louis did stick up for his pal, denying rumours that Simon is a secret gay.

He said: "He's not gay. Not at all. He's theatrical. It's an English thing. English people have this."

CORONATION Street star Michael Le Vell has been dramatically found NOT guilty of rape and sex offences against a young girl.

The actor – who plays grease monkey Kevin Webster – said he was “delighted” at the result which took “a big weight off everyone’s shoulders”.

Le Vell, 48, who was tried under his real name Michael Turner, had maintained his innocence throughout and was acquitted of 12 child sex offences.

He heard the foreman of the jury deliver the not guilty verdicts to a hushed and packed courtroom at the end of an eight-day trial at Manchester Crown Court.

His accuser, who cannot be named for legal reasons, was not in court to hear the verdicts.

But the “bubbly, lovely, naïve” youngster had earlier sobbed as she claimed Le Vell, known to millions of TV fans as the ITV1 soap’s resident mechanic, raped her as she clutched a teddy bear.

Her claims were dismissed by the jury after being described in court as “inconsistent, incoherent and unbelievable”.

After walking free from court, Le Vell thanked ITV for their “continued support throughout this traumatic time for all of us”.

Drink

He added: “It’s a big weight off everyone’s shoulders. I might go and have a drink now.”

Commenting after the verdicts, a spokeswoman for *Coronation Street* said: “We are looking forward to meeting with Michael to discuss his return to the programme.”

Asked when he would return to the soap, father-of-two Le Vell said: “I don’t know, I might have a holiday first. I’ll have to go and have a chat with my boss.”

Alisdair Williamson, defending, said the case was “a prosecution by cliché”, criticising how much had been made of Le Vell’s “demons” – his drinking and womanising.

He said the defendant in the witness box was clearly a “scared and frightened” innocent man accused of “the most unbelievable and terrible thing”.

The actor, from Hale, Cheshire, who has been in the ITV soap for 30 years, faced 12 charges in all – five counts of rape, three of indecent assault, two counts of sexual activity with a child, and two of causing a child to engage

in sexual activity.

Le Vell maintained his innocence throughout, telling police the girl’s claims were “an absolute pack of lies” and the jury that he was “fighting for my life”.

In court, his accuser claimed he had held her favourite teddy over her mouth while he raped her.

Under examination in the witness stand, he was asked by his lawyer: “Have you ever put your hands on this girl, put your penis in her?”

Le Vell replied: “No, never.”

The lawyer went on: “Took off her clothes... put your penis in her mouth?”

Le Vell said:

‘Inconsistent, incoherent, unbelievable’

JURY’S VERDICT ON TEDDY BEAR RAPE CLAIMS AS THEY CLEAR CORRIE KEV OF ALL 12 CHARGES

“Never in a million years would I do anything like that.”

Earlier he’d been asked how he felt, and told the jury: “How do I feel? Devastated. I’m lost.”

“I don’t understand where it’s come from. It’s left such a big hole in life.”

“I’m like a lost soul and I still want to get to the bottom of why this has happened to me and why I’m being accused of this because I know none of it happened.”

“I have been walking

around for the last two years just not knowing.”

Le Vell mouthed “thank you” to the jury and raised his hand to them after he was cleared of each of the 12 counts.

Confusion

He held his head up as the male foreman began giving the verdicts. One man shouted “Get in” when the last verdict was read out.

Le Vell looked round in confusion before he left the dock and was hugged by a supporter. Cries of

relief were then heard as he left the courtroom a free man, with his family members.

The jury had deliberated for just short of five hours.

During the eight-day trial, the “demons” in Le Vell’s private life were laid bare – his alcoholism and womanising while his wife battled breast cancer.

The court heard of his “dark secret” – that he had enjoyed a string of one-night stands behind the back of his wife of 25 years, Janette Beverley. And the jury was

CLEARED: Le Vell's joy is clear after he was found not guilty of all charges

A drinker, a serial sex cheat... but never a child abuser

By KIM PILLING

news@sundaysport.co.uk

THE PRIVATE life of Michael Le Vell has been laid bare during his child abuse trial with revelations of heavy drinking sessions, an affair and a string of one-night stands.

Before any evidence was heard, Manchester Crown Court was told the man in the dock before them was not *Coronation Street*'s genial car mechanic Kevin Webster.

The 48-year-old soap actor later himself agreed with the prosecutor that was not the case and when he left the witness box the eight women and four men on the jury bench were too under no illusions he was not the character he plays.

Appearing under his real name of Michael Robert Turner, the Crown suggested to him that far from being "*Coronation Street* Kevin" he was in fact a "troubled man" who had raped and sexually assaulted a young girl.

Le Vell responded that it was true he was an alcoholic and a serial philanderer - who even cheated on his wife while she was undergoing chemotherapy for breast cancer.

Famous

But what he was not was a child abuser, the court heard.

Born in Newton Heath, Manchester, he was one of six siblings in a working class family.

Three of his sisters - one has died - and his brother sat in the public gallery during the trial to give their support.

His mother died from a brain tumour when he was 15 and his father from lung cancer when he was 22.

Le Vell said he became involved in acting aged 12 after playing a part in a school production of *Kes* - earlier made famous by Ken Loach's film portrayal.

It led to a stint at Oldham Theatre Workshop, which has also produced star actresses Anna Friel and Suranne Jones, and performances at the town's Coliseum Theatre.

In the early days of his career he also worked in a men's boutique and as a plasterer's labourer.

He got his first role on the cobbles of Weatherfield at the age of 15 and later the part of Kevin Webster which he has played for 30 years.

After he joined the ITV1 soap in 1983, he quickly endeared himself to fans who have followed the trials and tribulations of Kevin from being Brian Tisley's apprentice mechanic through to his stormy marriage to Sally, played by Sally Dynevor, and fathering two girls, Rosie and Sophie.

Due to his irregular working shift patterns with many free days and

nights, coupled with plenty of spare cash, Le Vell confessed he would hit the pub throughout his career and his 25-year marriage to actress Janette Beverley.

Le Vell explained: "I have a working class mentality. I'm a bloke. After work I want to wind down for a hour or two."

"I know it sounds chauvinistic but that is how I was brought up. It was not the odd pint or two before tea though but seven or eight pints a session."

He recognised he had a drink problem and had twice attended Alcoholics Anonymous but concluded: "It's not worked out for me".

"Both lasted two weeks, each attempt," he said.

"I think the last time was about three years ago... the other time was three years prior to that."

He also had difficulty in staying faithful in his marriage and said his reference to a secret he could not be forgiven for was to a number of one-night stands, rather than the sexual offences he was accused of and which he denied.

Father-of-two Le Vell told his barrister: "I had several one-night stands throughout our marriage through difficult times."

"When you go home with that guilt and you have got to pretend you have done nothing wrong on a weekend away, it eats away at you a little bit."

"That was the little secret. One-night stands."

Affair

He also confessed to having an affair while his wife was being treated for cancer and then walking out of the family home.

Those events uncannily mirrored a *Coronation Street* storyline in which he had an affair with a character called Molly Dobbs while his on-screen wife, Sally Webster, developed breast cancer.

Ahead of his trial, there have been several tabloid newspaper reports saying Le Vell, from Hale, Cheshire, is in an on-off relationship with 31-year-old Chilean teaching assistant named Bianca Fouche.

Le Vell conceded he was "weak" in "certain aspects" and had problems with the "demon drink" but throughout he maintained this did not mean he was a troubled man who had committed a string of child sex offences.

told he had abandoned the family home to get drunk in the pub each night.

But while Le Vell might be described as a "weak, stupid and drunk man" and a "bad husband", he was not a child rapist, Mr Williamson told the jury.

It was a "strange case of child rape" without any DNA evidence or injuries to the alleged victim, who claimed she had been raped and abused while a young girl, Mr Williamson added.

Le Vell was initially arrested on

September 30, 2011, but the Crown Prosecution Service decided not to proceed with the case.

After a review of the evidence following fresh allegations by the girl, Le Vell was re-arrested and charged in February this year.

Hell

One of his supporters and close friend, former *Corrie* star Nigel Pivaro, who played Terry Duckworth, said: "He has suffered two years of hell and probably more also, due to his high profile, far

more than most. It has been a long journey for him."

"Now the jury has spoken, he can pick up his career and his life."

Asked if had spoken to Le Vell, Pivaro said: "We grabbed a moment, he didn't say much."

"He was probably calmer than anyone around him."

"It is a tremendous relief for all his family who have travelled from around the world to support him. Of course, they are incredibly emotional."

MIDWEEK Sport SAYS...

Le Vell trial proves we need new law to protect the innocent

THERE are no winners in the trial of Coronation Street actor Michael Le Vell.

He was clearly in the mood for a celebration with a pint outside the courtroom as he toasted being acquitted on all 12 sex charges against him.

He has good cause. He has proved he is NOT a child abuser.

But the case is still a sad one. One feels sad for the girl who made the claims against him. Where does she go from here?

And he hardly comes out of it with a spotless image. He admitted having a drink problem, repeatedly cheating on his wife and being, as he agreed, "a weak person".

Not the Kevin Webster we all know, flailing his fists first and asking questions later – the straight-talking, no-nonsense tough guy mechanic, the archetypal lovable side.

Problem

And therein lies the problem with these high profile celebrity trials. The truth is quite different from the fantasy world of soapland.

That's why we need a law of anonymity for ALL people accused of sex crimes – not just celebrities.

It is not right that a person's name can be dragged through the mud like this and then just be expected to leave the court as if the last two years hadn't happened.

Michael Turner – the actor's real name – should have been protected in case, as happened, the claims were adjudged to be a pack of lies.

We wish Michael well and hope he's back on our screens as soon as possible. Everyone, especially his bosses, need to recognise that he might be a drinker and shagger, but he's not a child abuser.

Let's see if TV chiefs are strong enough to do the right thing.

Putin Russian to Obama's rescue

PRESIDENT Obama owes Vladimir Putin one after the Russians got the Prez out of the sh*t.

Obama had painted himself into a corner by drawing his famous "red line" in Syria – namely the use of chemical weapons.

With the US struggling to garner much support – either at home or internationally – for military action, Putin stepped with a nice wishy-washy "compromise" that gets everyone off the hook, including Assad, who jumped at the chance to muddy the waters even further.

For all our sakes, let's hope this kicks action in Syria into the very long grass.

Paul Nuttall

STRAIGHT TALKING

FROM UKIP'S DEPUTY LEADER

It's time to halt this 'human rights' farce

SIXTY years ago last week, the European Convention on Human Rights came into force.

It was put together by a group of legal eagles across the continent who wanted to ensure the people of Europe were protected against human rights abuses in the future.

All these men were scarred by the horrors of the Second World War and the Holocaust.

The convention would mean an end to death camps, slavery, secret police and executions – and ensure free elections, freedom of speech and the right of parents to bring up families. All sensible stuff in my opinion.

A court – the European Court of Human Rights – was set up in Strasbourg to ensure that the convention was enforced.

It wasn't fully incorporated into British law until the Labour government passed the Human Rights Act in 1998.

From that moment, the convention began to be abused by parasite human rights lawyers, criminals and the out-of-touch liberal numpies who pass

themselves off as judges in the Strasbourg court.

Take the case of convicted axe killer John Hirst (*below*). He fought for years from inside to win votes for prisoners.

After getting no joy from the UK government or our law lords, he took his case to the European Court of Human Rights.

Predictably, the court ruled in his favour and told the UK that votes must be given to prisoners.

Plots

That's allowed 2,000 prisoners and ex-prisoners to take the UK to the ECHR again because they've been deprived of a vote.

The judges rule shortly and, if the government loses, it'll cost the British taxpayer a fortune.

Radical Islamic cleric Abu Qatada – wanted in Jordan for bomb plots – got to stay in the UK by claiming the "right to a family

life" under the European Convention of Human Rights.

We finally packed him off to Jordan in July, but only after it had cost the British taxpayer £1.7million to keep him here while he appealed.

The British government was also forced to hand paedophile Mustafa Abdi compensation after the ECHR ruled that his two-and-a-half-year detention at the end of his eight-year jail sentence for raping and indecently assaulting a child breached his human rights.

It's clear from these examples that the European Convention on Human Rights has spiralled out of control and become something it was never intended to be.

It was about protecting Europe's citizens against dictatorship and extremism – not forcing us to give votes to criminals, protecting the rights of terrorists or giving cash to paedophiles.

The sooner we rip up Labour's Human Rights Act, drop the European Court of Human Rights and write our own Bill of Rights, the better.

Only then can we return to good old British common sense.

Justin Dunn's Room 101

WHAT'S ANNOYING HIM

THIS WEEK?

£675,000 a year to get us back on track

IT'S been quite a while since I last sat on a train – and that's something I intend to stick to for the foreseeable.

Nonetheless, the blistering memories remain, much like the branding on a cow's arse.

Commuters packed like sardines. Unbearably hot carriages. Lumps of baked Romanian poo permanently welded to the sleepers under the tracks at Manchester Piccadilly's Platform 14.

Also-called scheduled intercity service that was never, EVER on time, whatever time of day you were unfortunate enough to take it.

Faulty

A litany of missed connections, kicked tramps and bald patches from where I resorted to tearing my hair out.

Even my chums at work don't begrudge me the luxury of driving in these days. Probably because they hear me whining about the f***ing traffic jams instead.

But for those of you sat now, probably in sidings, or on the main track listening to the tick tick of the idling engine and wondering when in c***s name

you're going to move again, if ever, I have good news.

One of many, many reasons that your train isn't moving is because a signal is faulty or there's been a points failure.

Judging by the weather over the weekend, it's safe to assume you can soon add "leaves on the line" and "wrong kind of snow" to those excuses.

But never fear! Because Network Rail – a government-backed near-as-dammit quango that has no shareholders, no legal owner and pays no dividends – has a new boss to save you all!

Mark Carne (*right*) takes up the role of chief executive next April and, as this government likes to show that we're all in this together, he will be working for

the meagre sum of just £275,000 a year.

Which is, incidentally, eighty grand a year MORE than the fella who's doing the job at the moment.

Needless to say, there will be "performance" bonuses on top of that along with pension pot contributions that could keep him in clover until he's 427.

The line trotted out these days by anyone on the publicly-funded gravy train is that "to get the best people, you have to pay the going rate".

Cherish that thought when you get in at midnight to find your dinner's in the cat and your mate's in your missus.

BACKBENCH Conservative MP Henry Smith tweeted last week: "Putin really is a tosser." No problem with that – the Russian leader (*left*) IS indeed an onanist. Now if Mr Smith could just say something similar about his leader...

Classy Tulisa deserves to let her hair down (And have her boobs groped)

THE picture of Tulisa having her boobs groped made me smile this week - I reckon it's because she's against men at the moment.

She looked like she was having great fun on a girl's night out in Essex and I think that's just what she needs right now.

She only recently had her heart broken by footballer Danny Simpson and she seems to be making the most of being single.

Split

I think the split really hit her hard and she has had a really bad few months. Everyone thought that she was devastated over the whole drugs arrest thing - where she was accused of killing an undercover reporter that she could get drugs - but I don't think that is her main problem.

At the end of the day she has been through a lot in her life already and she is a really tough cookie.

OK, so the arrest wasn't great, but she wasn't caught taking drugs - in

fact she made it clear she doesn't do them - and she didn't actually get them so it could have been a lot worse.

I reckon the break-up is what has affected her most and I do feel sorry for her because I've been there and I know what it's like.

But I think she is turning a corner and things will soon be on the up for her.

She has changed her look and she appears a lot more classy - I prefer her hair and make-up the way she is doing it now.

And she has lost weight too, so she's looking hot.

She seems to be keeping a bit more of a low profile at the moment, which I think is the right thing to do.

It must be gutting for her now *X Factor* is back on and she has been replaced by Sharon Osbourne, although to be honest I never thought she was right for that show anyway.

Her time will come. It won't be long before she turns the corner and things will be on the up again.

I think she will meet a new man who will make her tick again and then she will bounce back bigger and better than ever.

● I WATCHED *The X Factor* at the weekend and I am not ashamed to say that I cried the whole way through it. I am an emotional person and I think that is a good thing - and there is something about watching *The X Factor* that makes me really emotional.

It's all because I see the families of the contestants crying - it just shows how much it means to them and that starts me off blubbing.

This week I really liked Melanie McCabe, the young sweet

Irish girl who has been on the show several times before.

She seemed really lovely and genuine and I think she really deserves this.

I admire people who aren't afraid to keep trying and I think this really could be her year.

I also liked van driving single mum Shelly Smith - she has got an amazing voice and it was lovely to see her with her little daughter.

I'll be hooked to this series.

● SO Helen Flanagan thinks she's got the best boobs in the world.

Well, I'm sorry to break it to you love, but you're wrong.

I mean, they are OK but I've definitely seen better.

And I don't think the picture was the greatest either - I've seen a lot of glamour pictures in my time and that one is not the best quality.

By having one arm up she is making her boobs look wonky when they probably aren't in real life.

My tip to Helen would be to put both arms up next time! And pick a better photographer.

If she had gone to *Playboy* they would have done much better shots - and she would have been paid more too!

● THIS week it has been all about my BUM!

I know I am famous for my huge boobs but recently my butt has been getting more and more attention.

People keep asking to see it and when I am doing *Redlight Central* practically every other caller wants to have an oggle.

I think it's because I have been doing loads of squats in the gym and my body is looking

really hot right now.

I am so fit you literally couldn't pinch an inch anywhere on my whole body.

My bum is looking perkier and more pert than ever and all the hard work has really paid off.

And I just want to let everyone know that my curvy ass is loving the attention!

Although my boobs are starting to feel a bit left out - I hope they're not forgotten!

● **STRICTLY** *Come Dancing* star Abbey Clancy says she is doing the show to get hubby Peter Crouch back because he watches the show and fancies the dancers.

Good on her I say!

It's about time the women fought back.

Men have been ogling scantily-clad women for years so it's about time they had a taste of their own medicine.

Now she gets to dance with a fit hunk and

he has to watch her going through the steamy routines.

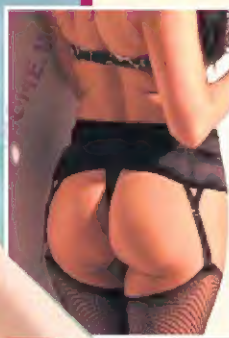

She has been paired with hot new dancer Aljaz Skorjanec so let's see how hubby Pete likes watching her getting up close and personal with him.

Apparently Pete has said he will be going to all the rehearsals to keep an eye on her, and I don't blame him - they certainly look good together!

THE UNIQUE COLLECTION KELLY BROOK

My HOTTEST ever pics!

By JON LIVESEY

jon@thesundaysport.co.uk

CURVY Kelly Brook reckons wearing skimpy underwear is the key to a smoking hot sex life!

The top-heavy pin-up – this week's Cover Girl – squeezed her 30G boobs into some saucy lingerie for these racy snaps.

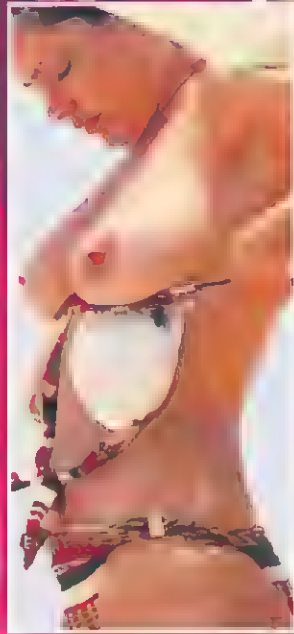

And she says risqué knickers and bra sets or figure-hugging swimwear like those she's sporting in the pics can spice things up in the sack.

Kelly, from Rochester, Kent, told British women: "Don't underestimate the power of sexy skimpy! I adore the full works – sexy bra, thong and suspenders."

"A lot of women underestimate the power of good lingerie. I love underwear! It can make you feel – incredibly sexy."

Kelly, 33, who's just split from rugby ace Danny Cipriani, 25, says the best way to crank things up even further is with a saucy striptease.

She added: "Feminine charm is at its best when you maintain an air of mystery, so take

some time to master the art of undressing.

"Whether you undress for your man or he undresses you, take it slowly and enjoy discovering what lies beneath."

"But leave your heels on until the last minute. I've yet to meet a man who doesn't love seeing a near-naked woman in heels."

FRANK Ahearn is a digital hit man – he can make you disappear off the grid.

Or if your reputation is threatened by something online, Frank can help.

He made his name with his book *How To Disappear*, detailing the way to maintain a sense of privacy in an online world.

New York-based Ahearn spent 20 years working as a skip tracer – someone who specialises in tracking down missing people, whether they want to be found or not.

How To Disappear focuses on how to stop people like him who might use their skills for crimes like identity theft.

And in a new book, *The Digital Hit Man*, he goes on the offensive, describing the tools he uses to repair reputations once that information goes online.

Fake identities, fake websites, photo distortion, search engine rigging – all methods he relies on to help his clients distort what comes up when someone searches for them.

While he offers clients the chance to disappear, he's not cheap – charging as much as £23,000 a time!

Frank has helped more than 100 people disappear off the grid – with that figure rising on the back of the economic meltdown, as chief executives jump sinking ships and laid-off workers head for the beach life they've always yearned for.

PRIVACY: Yank whistleblower Edward Snowden says the powers that be spy on us

This man

can make you

WHICH PROBLEMS DO YOU SOLVE?

One is if you are in a situation and you are afraid, or you want to just disappear so nobody can find you.

The second is if there is information online about you that's a disaster for your life.

I can assist you by using deception and digital manipulation.

WHO DO YOU HELP?

The best example is like the victim of a stalker who needs to leave because her ex is going to kill her.

When you're looking for somebody – or looking to find someone you always look for the information they left behind.

So I take that information and manipulate it, change her, deviate her name maybe on the utility company, different forwarding addresses, different contact information, and then using online information for disinformation.

You need to make sure that the person looking for them is looking in the wrong places.

For example, I would have them open up a bank account and give me the debit card, and I would take that debit card, send it to a friend of mine in Toronto, and every Tuesday they'd go and buy stuff at the supermarket.

Plus, I'll have you apply for an apartment at a location online. It's important to keep the predator looking.

It ranges from victims of stalkers to wealthy people who are concerned about their digital safety.

With digital manipulation, it's wealthy people who are in some "interesting" business situations, or they want to make sure their 15-year-old daughter isn't putting all her information

on the net. Or it's that stupid thing of getting drunk and driving into a building and you don't want your future clients to read about that.

The beauty of the internet is that sometimes secrets of the past are surfacing today.

WHAT IS THE OLDEST SECRET TO SURFACE?

What's starting to happen is every newspaper in the world is publishing every issue they've ever had online.

One client – he's in his 40s now – typed his name into Google and he saw something he did in college 20 years ago. He and his friends did an amateur porn movie, and it was being sold on a porn website.

I persuaded the firm to take the video down by saying they were breaching copyright.

And I made fake online entities with the same name, and one of them is this porno freak from Ohio who was in this movie.

So if someone types in my client's name now they see this other individual in Ohio and think they were in the porno, and not my client.

It's really misdirection. I'm of the philosophy that you can't delete online information. If you don't own the website or blog, there's nothing you can do about it.

To give an example, I have a

client – this is pretty burrowing – his daughter is about six years old. Her mother was violently killed.

Her and her mother share the same name, and my client says she's reaching the age where she's surfing the net, and she's going to search for her own name and find out about her mother's violent death.

So I created all this content using the mother's name, bricking it out, suppressing it, manipulating it, so that's not the first thing she sees when she types her name in.

HOW DID YOU GET INTO THIS?

Originally I was a skip tracer. I located people and information. You know all the stuff with the tabloids in the UK (the *News of the World* phone-hacking scandal)?

I was the guy they would use but not specifically them – and I sold phone records, bank records, airline records.

I was able to get it through pretext and social engineering, and I got really good at finding people. And then the law started changing and I realised I can't do what I do, it's not worth it.

I met this guy at a bookstore – he was buying these books about moving money offshore, and these other discretion books, and he was using a credit card and I thought: "What an idiot, who buys books about offshore banking using a credit card?"

So we struck up conversation and I told him how I could find him through his credit card.

Next thing I know he asks me if I can help him disappear. He was a corporate whistleblower.

Then I just got into the digital manipulation and I realised you can't disappear information so you use deception.

And I'm good at lying.

HOW MANY CLIENTS DO YOU HELP?

I typically work with two clients at a clip. Digital manipulation is pretty time consuming – I do it all myself.

The disappearing thing, I could do three or four a year – 10 people contact me but only two of them may need to go.

The others, I can disappear them using information.

It's extremely time consuming, but if I hired an employee there's not privacy.

I'M ON GMAIL, TWITTER, FACEBOOK AND I HAVE A PHONE CONTRACT. COULD I DISAPPEAR?

The first thing you do is what I call "stop and go".

Stop doing everything, from any connections – meaning your home computer, your work computer, your cell phone, your home phone – because the mistake people make is that they start dreaming about disappearing, and they dream by looking at locations.

When you're looking for people, you don't look for them, you look for the information they left behind.

And that information will locate you.

Once you've done the stop, you

calling magazine subscriptions saying I was him. "Hi, this is Mr. Brown, I haven't got my magazine," and they'd say they didn't have a subscription for me.

But by the seventh call they said: "Oh, Mr. Brown, we sent the magazine to your new address." And they gave me the guys address!

That took a couple of days. That's what I call the clue factor - the things you never think of.

When you're looking for someone you come up with the strangest ways of finding them. It's just that one nugget where the predator can find you, and you're screwed.

HOW MANY PEOPLE DO WHAT YOU DO?

Successfully? I'm probably the only one doing it at this level. I don't think people can do it because I have the skill of finding people - that's the true skill of what I do.

You could buy a book about brain surgery - doesn't mean you can do it. You can write a book about disappearing my way - doesn't mean you can do it.

I'm good at deception, that's the bottom line. It's what I do it's my thing.

The thing is, if you hit send, enter or download, you are creating a trace. And a lot of the time these situations arise because of something they've done stupidly.

Stop the social networking. We don't know what this information is going to be used for, the US National Security Agency just might be utilising it like (whistleblower) Edward Snowden says.

If you're in business I understand social media.

I understand Twitter and I understand Facebook.

But if you're a regular person, you wouldn't put a billboard on the side of the road with your picture up and your children's pictures and what school you went to and your home phone number. Why do it online?

What I always say is - your information is gold. You wouldn't give gold away, so don't give information away.

DISAPPEAR!

SECRETS OF HOW TO LIVE WITHOUT BEING SPIED ON

go out and buy a cheap laptop and surf the web from public places.

Buy with cash, don't put any identifiers on it, and you only use public Wi-Fi. You can walk to a large cluster of buildings and pick up Wi-Fi without a password no problem, and you surf from there and you search from there.

By the same token, you're also on your home computer searching for fake places. You're emailing magazines in Lisbon looking for jobs, and emailing realtors in Lisbon looking for an apartment, because that's the information that a skip tracer will get on you.

Then you need to do the digital manipulation, or digital "twisting" as I call it.

On your Facebook account you start talking about Lisbon, and start "friending" people in Lisbon, and you start creating this fake online presence that makes it look like you're moving to a new place.

And once you've figured out where you want to go, it's then a question of how to get you from point A to point B without getting traced.

DO BILLING COMPANIES REALLY GIVE AWAY YOUR INFORMATION EASILY?

Absolutely. What I would do is see who's in their building, find out who's been living there the longest, and contact them and say "Hi, how are you doing? I'm calling from an insurance company, I'm trying to reach so-and-so. We have an insurance

policy and we're trying to send him a cheque but his address shows he's moved."

She may not know where you live or where you moved to, but she might say "you know something, his sister lives in Manchester - let me give you her number."

I call your sister asking about you, and the minute we get off the phone, she's dialling you. I pull your sister's phone records and I'll have your phone number, and that's how I'll find you.

To take it further - not that I would do this - I would blag whatever phone carrier you have and I'd find the apps you have on your phone. A number of apps track your GPS location.

Let's say you have a Starbucks app - I'd blag the tech support at Starbucks to find you. But I'd have broken 50 laws in the process.

WHO HAS BEEN THE HARDEST PERSON TO TRACK DOWN?

This guy owed a lot of money. He was a mechanic, he owned a body shop. I could not find him.

It's like he just walked off the grid. His phone stopped, everything shut down, and I could not find him. He had no family.

It was like he was a ghost. So I went back to my client and said, "Tell me more about this guy."

The client told me he loves cars from the 60s - that's his thing. I started

Who's got a problem with boobs?

DOCTOR Who's companion Sarah Jane Smith was to be played by a different actress - until star Jon Pertwee objected because her BOOBS were too big.

Elisabeth Sladen, who also starred in the spin-off *The Sarah Jane Adventures*, was not the first choice of actress to play the role, it has been revealed.

For years the identity of the original actress remained a close secret known only to members of the production team.

But the notes on a new DVD of the Pertwee adventure *Invasion of the Dinosaurs* revealed that the actress first selected to play the role was April Walker.

When Walker met Pertwee he felt she was too tall, busty and dominant.

She went on to have roles in *Fawlty Towers*, *The Two Ronnies* and *Minder*.

LETHAL WEAPONS: Nicole wowed chart star in her tiny bikini!

CHECK out the boobs that had chart star Lethal Bizzle grabbing his PIZZLE!

Stunning Nicole Thomas, 19, was handpicked to star in London rapper Lethal's music video for new single Party Right.

The Derby babe, a 30G, wowed producers with her breath-taking good looks when she arrived on set.

And she certainly set tongues wagging, with guys - and girls - checking out her generous curves in between takes.

Even Lethal - aka Maxwell Ansah, 28 - couldn't help but ask how she maintains such a cracking figure.

Gorgeous Nicole revealed: "There was a bit of time out between filming and I got talking to Lethal."

"He was lovely, but at one point he turned round and asked, 'You've got a great bum...is it real?'"

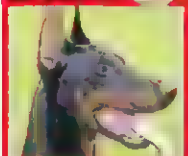

"Of course it's real! To be fair to Lethal, loads of people ask if I've had work done on my rump, just because it's so big and round."

"The tiny bikini I wore didn't help either - it made my arse look even larger and my boobs looked massive too."

"He was really sweet and it was such a fun day."

Short is sweet for online meets

A SHORTER name makes you more sexually attractive, says a new study of online flirting.

So Mike, Matt, Phil and Chris are more likely to get a date than Michael, Matthew, Philip or Christopher.

Jennifer Aniston might have more luck as Jen, Cameron and Beckham would do better as Dave, and ex-French president Nicolas Sarkozy should probably go as Nico.

Both men and women who used shortened versions of their name attracted more online approaches, according to dating site Badoo.com.

Batchelor on the Box

Britain's sharpest
TV critic mouths off

● IT was brave of love-split Denise Van Outen to go on ITV1's *Through The Keyhole*. For most separated couples, "through the keyhole" is how you speak to your ex.

● BRILLIANT Channel 4 drama *Top Boy* finished with Michael, a young police informant, being thrown off a block of flats. It was a bloody scene, which seemed odd I thought the grass was always greener.

● ITV2's *The Big Reunion on Tour* is about a bunch of has-been bands from the 90s and noughties getting back on stage for an arena tour.

Liberty X babe Kelli Young was thrilled by the sight of the branded tour bus they all share.

"When do you get a bus with your face on it?" she trilled.

I know what you mean, luv. Although you've been missing for so long I was half expecting to see your boat race on a milk carton.

Old hand Kerry Katona, of Atomic Kitten, was less fazed by the garish vehicle.

But I suppose the back end of most buses looks like her face anyway.

● TERMINALLY ill Hayley came out of hospital and returned home to *Coronation Street* this week.

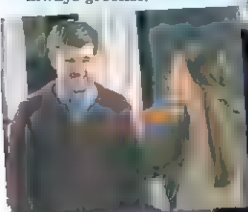

Fix came round with a fruit basket to welcome her back.

It was just how Hayley likes it, the plums had been removed.

Meanwhile, Sally skived off work at the knicker factory, pretending to be at the dentist so she could enjoy a morning romp with toyboy lover Tim.

"Blimcy!" fumed her boss, Peter. "How long does it take to have a filling?"

I guess that depends. But presumably quicker if she tickles his balls and promises not to start talking.

SOME people say BBC3 comedy *Bad Education* is unrealistic, but that seems unfair.

Just because writers Jack Whitehall and his chum Freddy Syborn went to posh public school, that does not mean they have no idea what life is like in a rough comprehensive.

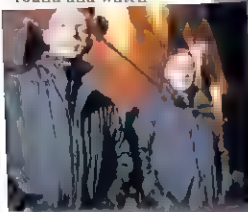

Look, they even show the kids breakdancing in the corridors. That happens all the time, right?

What I cannot forgive, however, is the reaction of main character Alfie (Jack Whitehall) when gorgeous Miss Gulliver (Sarah Solemani) confesses that her lesbian lover "has a lot of fun toys".

At that point, Alfie curls his lip in disgust and turns away.

But every single man I know would just glaze over and start drooling.

Or just beg to come round and watch.

THE new series of Channel 4 documentary *Bouncers* comes from the tough port town of Blyth, near Newcastle.

If you've never been, one of the locals was kind enough to give the following description.

"There's two sides to Blyth: there's a nice side and there's a f***in' absolutely f***in' daft side. You've got ya mugs, ya daft c**ts, ya silly c**ts and ya f***in' ar*holes."

Well then, that is Visit Northumberland's advertising slogan sorted for next summer season.

Still, he was right in every single respect. OK, all apart from one. But maybe next week we'll see the nice side.

Must X Factor take the p*ss out of sad losers?

NO, NOT THESE TWO FOR ONCE!

Is the X Factor going soft? This year's first episode had fewer nuts than a *Loose Women* audience, where usually it would be crammed with swivel-eyed crazies having the p*ss ripped out of them.

Are the ITV1 show's producers finally gaining a conscience, I wondered?

Have they at last realised that laughing at the mentally ill is not very 21st century?

Does the show's 10 year birthday mark a more mature approach to the weak and vulnerable?

Having watched *Week Two*, the answer would appear to be a resounding "Hell no! We were just waiting for all the snotty broadsheet

journalists to switch channels so we could have some real fun!"

Enter Thomas Feely, a pub DJ whose obsession with public transport links and his laptop computer made *Rain Man* look more like Stephen Fry.

He then sang *Isn't She Lovely* so badly that, had its creator Stevie Wonder been listening, it would have made him wish he was deaf as well as blind.

Weirdo

It was all a set-up, of course. The producers did not have to let Feely take his laptop into the audition or show him prattling on about tram times.

And they certainly did not need to put him in front of the judges. But where would be the fun in that?

It was the same story for Colin, a cat-obsessed weirdo who could not keep time. Then again, that was

no surprise given his day job as a minicab controller (How far behind was he? About 10 to 15 minutes, love.)

Then there was tree surgeon Stuart, who looked like he might be a revelation – a "StuBo" even – but turned out to have a voice like Dutch Elm Disease.

I won't pretend I did not laugh at these auditions. Because I did.

But for ITV1 to call this "family entertainment" is a bit rich. It is a brutal, nasty little circus in which society's most vulnerable people are invited to perform so that we can laugh up our sleeves at their delusions of talent.

But, hey, enough about Louis Walsh and Sharon Osbourne being judges, let's all have a laugh at the autistic tram fella!

● Sharon's new trick during poorer auditions is to laugh like a drain. Is that because her face is full of so much sh*t?

Scantily clad dancers left me bored STIFF

VERNON KAY must have been a proud man watching wife Tess Daly host the new series of BBC1 juggernaut *Strictly Come Dancing*, dressed in what looked like a Roman centurion's breast plate.

Gorgeous Tess is not the only consolation prize for fellas forced by the missus to sit through this guff every year.

Between *Countdown* babe Rachel Riley, Scouse WAG Abbey Clancy

and a host of scantily clad dancers, I was bored.

But at least I can say I was bored stiff!

Failed

The new crop of dancers, including Iveta Lukosute, introduced themselves by cavorting in daring scarlet rags to the Aerosmith tune *Walk This Way*.

I reckon a lot of blokes will have

not wanted to walk anywhere for at least five minutes afterwards.

In other news, Ryder Cup legend Tony Jacklin became the first golfer to take part in the show.

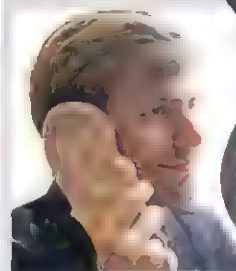

It is not clear why they have failed to land one before now, but many sportsmen are put off by the thought of wearing camp and garish clothes.

So perhaps that has been a consideration for golfers, too. They didn't want to dress down.

COOL AND LESS
THAN A TENNER

Ear-shaped iPhone case
- £8.95 - handyideas.co.uk
RELEASE your inner Prince Charles with a massive novelty ear that goes on to your iPhone 4. Other than making you look like a massive eared goon, it also offers protection in case you drop it down a flight of stairs.

Sat Nag - £5.95 - gadgets.co.uk
TAKE the power away from your whinging partner with the new Sat Nag, which will abuse you no matter how close to your destination you are. With over 1,000 unhelpful suggestions, the pretend navigation device moans at you in a sarcastic female voice. Just don't try to use it as a genuine Sat Nav.

Crossword toilet roll - £3.95 - myredpacket.co.uk
WHEN you're dropping the kids off at the pool you need something to keep you occupied. But what do you do when you forget your mobile? With the crossword toilet roll you can exercise your mind while you plop away. There's only one crossword reprinted across all the sheets so bank on three or four pos.

TEACH TO HIS DRONE!

Parrot AR Drone 2.0 - £280 - parrot.com
BEING a spy is awesome. You get to travel the world, shag beautiful women and tinker with the coolest gadgets ever.

Now, thanks to this high-tech personal drone, I can at least say I've ticked one of those three off my to-do list!

The Parrot AR 2.0 Drone is an app-controlled flying device that comes with a HD camcorder to capture your espionage in real time.

Simply connect your Apple of Android device to the hovering beauty using its own self-generated Wi-Fi signal, then take it down to your nearest nudist beach! The

drone uses four cleverly concealed rotors - the blades aren't exposed so you don't have to worry about lopping your fingers off.

And it's got a range nearing 150ft, meaning you can send the bugger so sky high it'll give you vertigo.

The 720 pixel full HD mounted video camera offers recording in 60 frames-per-second as well as real time playback through the app.

Juiced

It's controlled by simply tilting your mobile device in the direction you fancy, and can be left to hover in mid air if your wrists get a bit tired.

With only 36 minutes of flying time before you have to recharge, though, there is one serious issue - you'll be

spending a lot of time waiting around for the thing to get juiced up before you can make it airborne again.

But with extra batteries available for about 30 quid, you can easily prolong the fun you're having.

If you're a clueless f***wit, worry not - the drone is covered with a polystyrene protective bumper that means you can prang it without causing it to break.

And if you know any tinfoil-hat-wearing conspiracy theorists, fly it over their house and they'll be convinced the world is being taken over by UFO-flying aliens.

One word of warning, though - avoid school playgrounds unless you want the world to think you're an evil nonce.

Now THIS will give
you the horn!

Hornit Bike Horn - £34.99 - thehornit.com
If you've got a hangover, avoid this like the plague.

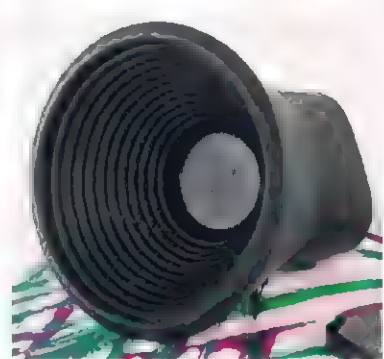

And if you're stupid enough to parp this at a roiled-up meathard, prepare to get your f***ing head kicked in.

Because this skull-shattering noise creator is one of the LOUDEST bicycle horns on the market. It produces a 140 decibel blast and to give you some idea how rowdy that is, a shotgun discharge is only marginally more extreme at 165 decibels.

It's an annoying din so sharp that it sounds like a 10-ton duck being stamped on by a giant.

And while it might just make people want to run you over in their lorries, at least you won't go unnoticed.

Ear's a little beauty

WOW speaker - £49.99 - firebox.com
THIS compact mobile speaker is the equivalent of giving a midget a megaphone - because while it's a bit titchy, it packs quite a punch.

With a tough moulded rubber casing it's rugged and durable but can still spit out up to 85 decibels of sound.

As with most other speakers on the market it has Bluetooth as well as the standard 3.5mm headphone jack - so there are plenty of ways to play.

Just charge it up, pack it in your bag and head out the door for a day of fun with a soundtrack. With up to four hours charge at top volume it should do a job.

Just be careful you don't mistake the flute-like amp for a plastic beaker - cider and electronics don't generally mix very well.

Hex marks the spot

Hexbug Scarab XL - £39.99 - hexbug.com

SCARE the living shit out of your cat - or any insect-hating mates - with this scuttling little bundle of terror.

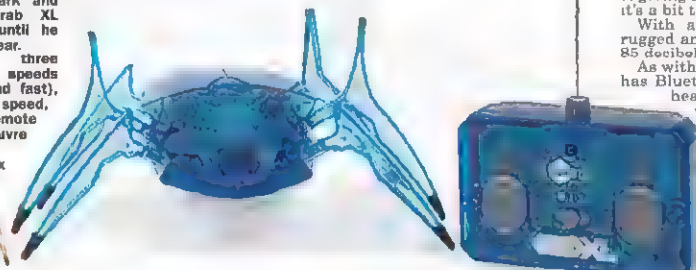

It's probably best left until your friend has had a few and he's passed out on the sofa. Then wait until it's dark and skitter the Scarab XL across his feet until he pisses himself in fear.

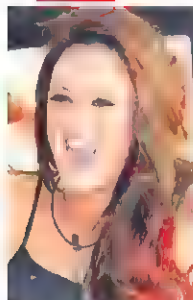

Operating in three forward-moving speeds (slow, medium and fast), and one reverse speed, you can use the remote control to manoeuvre around obstacles.

Three of its six legs are controlled by the left joystick, and the other three on the right

take their command from the right joystick. And, while steering takes some getting used to, it's surprisingly satisfying once you get the hang of it.

It comes in green, blue or a see-through plastic shell.

Charlotte: I'll do show in just knix!

BUSTY *Celebrity Big Brother* babe Charlotte Crosby wants to appear in her own show in just her KNICKERS.

The *Geordie Shore* star (above), 22, also claims her scantily-clad photoshoots are really hard work.

Asked who her ideal *CBB* housemate would be, she said: "I'd love to live with the cast of *Jackass*."

"I'd love to do a one-off show where it's me doing crazy things, like hanging off trees by my knickers."

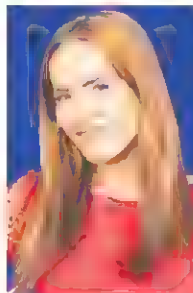

"Maybe slide down a mountain in a portable toilet!"

She added: "I'm the most outgoing person ever."

"But when I take my clothes off in front of the camera I feel a bit different."

"People think modelling is easy. Well, some girls make it look easy, but actually it's so hard!"

"I everyone picks faults with themselves, don't they?"

Ousted Sophie in boobs taunt

MODEL Sophie Anderton reckons Carol McGiffin is jealous of her pert **BOOBIES!**

Gorgeous Sophie, 36, blasted the *Loose Women* and fellow *Celebrity Big Brother* housemate for giving her a hard time in the house - because she's younger and firmer than her rival.

She said: "She doesn't like anyone who has got a pair of tits that don't sag down to their knees!"

"Carol should back off and get a f***ing life."

"Go and get a facelift, but it's not going to change your personality, love."

Former party girl Sophie (above) was evicted from the house last week, while Carol battles on to win the Channel 5 reality TV show.

(That's Single Hot)

HELEN FLANAGAN

EX-CORRIE babe Helen Flanagan grew up before our eyes from a sweet youngster to the eventually vampish Rosie Webster.

The busty 23-year-old seemed to have it all - great job on the cobbles, a rack drooled over by millions and her very own footballer boyfriend in West Brom winger Scott Sinclair.

She quit Weatherfield and headed to Australia to take part in *I'm A Celebrity...* which saw tissue sales rocket every time she entered the shower in almost invisible bikinis.

But then Scott, 24, was alleged to have been found out sexting another girl and Helen moved out of their swanky Cheshire mansion.

This week she's posed **TOPLESS** for the first time - although her incredible boobs also made an appearance while she was changing tops while on a photoshoot in Ibiza.

Single Helen's not shy about her assets, either. She calls them "the best boobs I've ever seen on anyone in the world. Ever."

DENISE VAN OUTEN

DISHY Denise Van Outen picked her husband out of a talent show she was presenting - and took him home!

Lucky Lee Mead was soon married to the feisty 39 year-old - and the couple had a child, Betsie, three.

But earlier this year their four-year marriage floundered and the couple went their separate ways.

Which means Denise is very much a **SHELF** - and an incredibly **FIT** one at that!

Fellas got a taste of her delights when she went topless for a hot-tub scene for the one-off drama *Murder in Mind* in 2001.

She says: "I do like my breasts. They're great, so much fun. You can do what you like with them."

FED up getting the knock back from the girl who works in the off-licence?

Baffled why the cheeky girl on the supermarket check-out till keeps dismissing your overtures?

Worry no more, readers – it's time to step up a level. So forget about the busty barmaid in the Fox and Duck with the funny eye and the big arse and set your sights higher. WAY higher.

Here at Sport Towers we see no reason to settle for what you can get when there are MEGABABES out there RIGHT NOW looking for love.

Why bother trying to cop off with a local bird with ideas wildly above her station when we could bag ourselves some prime celebrity totty?

Dumpings

Divorces and dumpings in the glossy world of showbiz mean there are fine pickings out there just waiting to be snapped up by the right fellas.

The latest is former *EastEnders* stunner Tamzin Outhwaite, 42, newly single after filing for divorce from hubby Tom Ellis.

Here, *Midweek Sport* guides you through some of the sexiest SHELFS – Single Hot Exes we'd Like To F*** – in Britain right now!

ROXANNE PALLETT

EMMERDALE hasn't been the same since the sad departure of diminutive minx Roxanne Pallett.

The gorgeous babe, 30, went on to appear in *Soapstar Superstar* and *Dancing on Ice* – but her best performance came in 2010 when she went STARKERS on horror flick *Lake Placid 3*.

Sadly, her love life has not been as successful as her career – and last month she split from her boyfriend of six months Harry Neale, 23.

He's said to be "devastated" over the split from the doe-eyed beauty from Carlisle, Cumbria – but Harry's loss is most definitely our gain!

She reportedly told pals "He's not who I thought he was. I feel such a fool. It's all been an act at my expense and I fell for it."

Whatever it was that happened, the fact is Roxanne is now single again – and that's great news for all you lone fellas out there!

I'm a punk not hippie, rages Bill

FLNNYMAN Bill Bailey has raged: "I'm no hippie!"

The comic (above), 38, said he's sick of being typecast as a tree hugging eco-warrior because of his straggly beard and long hair.

He said: "I suppose the hippie thing may be about your demeanour. I was always perceived as the slightly druggy one on the bill."

"It was, 'Then there's Bill. We don't know what he's going to say. He might not even turn up'."

"To some extent you have to accept the role you're given – you just have to accept and make the most of it."

"But I am a punk. The punk sensibility is in it yourself."

"You don't have to be a brilliant musician, it's about energy and passion – and comedy is the same."

Celebs beware – she's here, there and everywhere!

Which former rocker, known for dating a string of leggy models was spied eyeing up a pair of Waders in the Droylsden branch of Aldi a week last Wednesday?

NICOLE APPLETON

YOU would have to be pretty dim to cheat on a babe as fit and sexy as Nicole Appleton.

But then her estranged husband Liam Gallagher has never been known for his vast intellect.

The former All Saints singer split with the ex-Oasis frontman after it was reported he

had fathered a child to an American reporter.

Nicole, 38, is still wearing her wedding ring – but it's thought she too is heading to the divorce courts. The star, who peeled off for a sex scene in the 2000 movie *Honest*, says: "I find intelligence sexy. I find a sense of humour sexy. I find sensitivity sexy."

Have you got all three?

**Our search for the next
top glamour model...**

**Best by name,
best by boobs!**

STUNNING babe Helen Best is a self-confessed ladette – and even worked as a LABOURER before she started modelling!

The gorgeous blonde – who says she's a massive gym bunny – used to lug bags of sand around building sites!

And the cheeky minx admits she loved winding up the blokes on site.

Bubbly Helen, 25, said: "I've always been a bit of a ladette – I love motorbikes and extreme sports."

"And I had so much fun working as a labourer when I was younger. The lads would mess about and ask me to get them things from the fridge in

the canteen – just so I'd have to bend over.

"I thought it was hilarious. I used to eat bananas in front of them to wind them up!"

Helen loves hanging out with blokes – so much, she's now a 'beer wench' on STAG dos!

She said: "It's a brilliant job! I'm a beer bitch, so I wear a sexy Bavarian outfit and take the lads on a massive bar crawl."

"They all chip in to a kitty. I shove the money in my bra and buy their beer all night. It's so much fun."

I love...

MOTORBIKES and super cars!

We get board stiff hanging with corpses, says TV Steve

ACTOR Steve Pemberton has revealed how the *Whitechapel* cast cope with the creepy storylines -- by playing Scrabble!

Pemberton, 47, who stars in ITV1's spooky murder drama, says the cast need some light relief after spending all day staring at corpses.

He said: "It's a very happy place. We all do a lot of displacement activities so we're not just looking at gory dead bodies all day."

"Scrabble is very competitive -- we all play that on our phones -- and Trivial Pursuit has become very popular this year."

Celebs beware - she's here, there and everywhere!

Which former *World of Sport* wrestler was spied taking the 223 bus from Bilston to Woodcross in Uttoxeter last Friday - without his trademark parrot?

Damian: My White House crap snap!

HOMELAND star Damian Lewis took a photo of himself inside President Barack Obama's BOG!

His actress wife Helen McCrory said she and her hubby took snaps of themselves all over the White House.

The couple -- who were attending a state dinner last year in honour of visiting Prime Minister David Cameron -- found themselves opposite the President to eat.

Helen, 45, said: "We took snaps of each other in every room -- including the loo. Thrilling!"

"Then we walked into this marquee, chatting away... we suddenly looked at the rectangle stage. Warren Buffet, Helen McCrory, Damian Lewis, the President of the United States, George Clooney and an admiral."

"We didn't even say anything, we just looked at each other."

"I could just hear my heart beating going de-DOOM!"

LOU BEAUTY!

MADE in Chelsea star Louise Thompson showed off a cracking pair of gongs at the TV Choice Awards in London. The gorgeous brunette, 23, didn't pick up a prize herself, losing out to ITV1's *I'm A Celebrity*... *Get Me Out of Here!* but still looked a knockout in this plunging peach frock as she partied with cast-mates at the posh Dorchester Hotel bash.

CONFESSIONS OF A

SHORE THING: Jasmin enjoyed booze-fuelled sex sessions with holidaymakers

By JESSICA HAWORTH

jessica@sundaysport.co.uk

YOU'RE odds on to love lusty Brit aboard Jasmin Lawrence.

Because today the pretty brunette lifts the lid on the kinky culture of 'sex betting' among female club reps!

Gorgeous Jasmin, originally from Ramsgate, Kent, has spent the past three summers working for a top holiday company in the Cypriot resort of Ayia Napa.

She's such a well-known party girl she even counts pop babe Tulisa Contostavlos as a close pal and outrageous drinking buddy.

Hunky

The 23 year old has told how sexy reps act as amateur bookies, rating bunky male holidaymakers on the BONK ability scale as they board coaches at the airport.

And Jasmin reckons the horny babes then back themselves to bed the boys in the quickest time possible!

Not only that, but Jasmin has also told how being caught stark naked, witnessing hardcore ORGIES, and shagging under the

HOMELESS PAIR'S SEX ROMP AT POSH SCHOOL

TWO randy homeless people have walked free from court after having sex in the grounds of a posh £10,000-a-year grammar school.

Darren Smith, 11, was spotted romping with Samantha Bird, 23, in the playing fields of the swanky school in the middle of the afternoon.

The pair, who told the court they sneaked into the grounds because they had 'nowhere else to go', admitted outraging public decency when they appeared before magistrates.

Their defence told Worcester JPs the couple had been drinking before they slipped into the grounds of the Royal Grammar School, Upper Tything, on August 21 when there were no pupils. The court was told: 'They say they had nowhere else to go.'

'They didn't realise they could be seen by members of the public using a nearby footpath.

By NEIL GOODWIN

neil@sundaysport.co.uk

They didn't consciously pick a place where they would be in full view.'

The court heard Bird used to live in a hostel in Worcester but had an argument with another resident and was living rough.

Smith had been living on the streets after suffering life-changing head injuries when he fell from scaffolding several years ago.

The judge slapped the pair with an eight-week prison sentence, which was suspended for nine months, and ordered them to both pay an £80 victim surcharge.

HOLIDAY CLUB REP

Orgies, sex betting and the day I bonked a hunk on the coach to the hotel!

PALS: Jasmin
with Tulisa and
holiday girl

By Tulisa pal Jasmin Lawrence

gaze of her boss were all just in a day's work.

Cute Jasmin exclusively revealed to *Midweek Sport*. "On the way to the airport to pick up our weekly lot of tourists we would all put 20 Euros into a pot.

"And whoever shagged the fittest bloke won the lot!

"The competition was fierce - it was really out of control.

"Earlier this summer I realised I hadn't won for a while, and I was really determined to.

"I hatched a plan to latch on to this guy as soon as we got him out of arrivals.

"I switched him to my coach before anyone figured it out. I blocked off the back of the bus by fastening the seatbelts and when everyone else was seated I grabbed him and said I needed a word about his accommodation.

"As soon as we were at the back I pounced on him - you should have seen his face, he was so confused but well chuffed at the same time!

"No one had a clue what was going on, and when we got to the hotel I took the pot off one of the

girls and laughed as he walked sheepishly behind me.

"They couldn't believe I'd done it so quickly - he said it was the best start to a holiday he'd ever had."

Pretty Jasmin now works as a PR manager and DJ in the Spanish club mecca of Ibiza, where she parties with her showbiz pals, like Tulisa, at some of the island's most exclusive haunts.

Crazy

But back in her old days as a resident Napa clubber she admits earning herself a saucy reputation.

Jasmin's carefree attitude and crazy bar crawls drew in the punters every night and she was soon the travel company's top earner. But she said: "I earned a

reputation for being the crazy one pretty early on because I was always up for drinking and partying whatever time of the day it was.

"Being a young female club rep certainly drew the lads in - they saw it as a badge of honour to get with us.

"It did get me into some pretty funny situations - especially with my bosses.

"One time we had a pool party in the hotel which lasted until the sun came up.

"I was hosting, so I stayed until the end and carried on drinking.

"I woke up on the side of the pool, completely naked, with one of the tourists on top of me.

"He was fast asleep with his face

on my chest. We heard laughing and my name being shouted so I looked up and all of my team, plus my boss, were stood on the balcony looking down at us.

"It was so embarrassing and I did get a bit told off but generally they just found it funny."

Part of Jasmin's job as a club rep was to look out for her group of holidaymakers, especially first-time revellers without their parents.

But Jasmin remembers one girl who didn't need any pushing to get into the party scene - and ended up butt-naked in the middle of a 10-guy GANGBANG!

Virgin

Jasmin laughed: "Some of the girls that come out here just seem to switch and go crazy.

"There's something about these holidays that turns everyone sex mad.

"We had this 18-year old blonde girl one year who had never been away without her family before and, to top it off, she was a virgin.

"As soon as she got here, on the coach with her mates from the airport, she announced to us all that she was going to shag as many guys as she could. She definitely

meant it - not only was she going home with a new guy every night, I walked into her getting stuck into a gangbang!

"This girl was on all-fours on a table with 10 lads coming behind her and tag-teaming each other while she was writhing around loving it.

"She went from this sweet, innocent virgin to shagging like a porn star as soon as she stepped foot in Napa."

Hut booze fuelled shagging was just an everyday sight on the island, Jasmin told us.

She became accustomed to glimpsing couples bonking on the beach, balconies and beyond - at any time of the day.

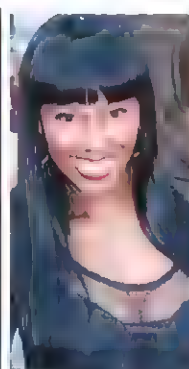

Gorgeous Jasmin added: "It's just kind of normal in places like that - you can't expect to work in that kind of atmosphere without seeing sex absolutely everywhere.

"People would shag on the beach, in clubs, on balconies and in broad daylight, too."

"They didn't really care who saw them because everyone else was doing it anyway.

"I'd definitely say it was an eye-opening experience. I had so much fun and I'll never ever forget it."

I woke up completely naked with a tourist on top of me

Jamelia: Leg hair cost me my hubby

R and B star Jamelia has admitted that she lost her bubbly, sunny her **HAIRY LEGS**

hubby over her HAIRY LEGS. The 32-year-old singer from has opened up about her 2009 split from former Premier League footballer Darren Byfield, 36, admitting that her furry pins were a deal breaker.

Jamella said, "I got so comfortable in the relationship, I did what lots of other women do and stopped making the effort. You stop shaving your legs and stuff."

"Looking back now, if he'd said to me, 'That's something I require,' it would have made all the difference.

"I've come to terms with the fact we're not together and we're never going to be together again — but I'm upset when I think how different it could have been."

Mum jailed for sex spree with her girl's lad, 15

A MUM who went on a sex spree with her daughter's 15-year-old boyfriend has escaped jail.

Tiffany Maydew
(above), 40, romped in
her car with the underage
boy all over a city.

Sessions also took place at the boy's home when his parents were out.

Maydew was arrested after a tip-off to cops from welfare officials.

The lad initially refused to talk about the romps in Troutdale, Oregon.

But he later admitted having sex with Maydew after seeing his mother.

Maydew was put on five years probation after pleading guilty to rape in a plea deal.

She must also register as a sex offender.

KRYSTAL WEBB

CURVY
Krystal Webb is giving a big boost to blokes with modest packages – because she reckons size doesn't matter at all!

In fact, the 30G brunette beauty says she prefers kinky foreplay to a good bonking.

And as long as a fella knows how to use his fingers – and tongue – she's more than happy.

It's no secret that bisexual babe Krystal, from Birmingham, enjoys romping with women just as much as she does with blokes.

In the next few pages, the 28-year-old talks about her lesbo lust, favourite sex toys and blow job secrets....

EVERY girl likes to give a blow job, even the ones who say it's disgusting. They secretly like it. I'm pretty good at it as well. It's all about the tongue technique!

RABBIT vibrators are the best ones ever. They feel really lifelike and have loads of different vibration speeds that drive you wild! I really like caressing my nipples with my vibe because it gets them really hard and stiff in no time.

IT'S a popular misconception that size does matter – it doesn't! And anyway, I'm more into foreplay and there are lots of different ways a bloke can satisfy me. For me, it's all about how good a fella is with his hands – or tongue!

KRYSTAL SAYS

ALTHOUGH I love men, I've always had a little thing for women and I have had my fair share of lesbian experiences.

I can see why men love boobs because I'm obsessed with them too

UNIVERSITY was one big piss-up, and I loved every minute of it. I slept with around 20 guys during the three years I was there. But I'd also go to the gay clubs with my bisexual friends – and brought home a few female partners too.

I'VE always been a real exhibitionist and I love showing off my body. I'd never let a bit of cold get in the way. I'm a tough Brummie girl!

SHOW ME THE HONEY!

GILENA HOOTON

23, 34DD-24-34 FROM MANCHESTER

CARPENTER Dave Alston, 38, reckons Manchester United star Ryan Giggs scored his best ever goal when he hit the back of the net with glamour babe Gilena Hooton in 1998. Duve, from Burnley, Lancs, emailed: "I'm a massive United fan, but I hated Giggs, for a few weeks after I found out he'd had his wicked way with Gilena. She's the sexiest of all the models!"

"It's been too long since she graced the pages of the Sport. Please, please, please will you bring her back?"

Of course we can, Dave - here she is in all her topless glory. We've got a feeling you'll be working with Harwood this week.

DANNI HARWOOD

24, 32F-24-34 FROM NEATH

FORGET Gareth Bale - blonde beauty Danni Harwood is the hottest property to come out of Wales in the last decade!

That's the view of factory worker Lee Calvert, 27, from Mansfield, Notts, who emailed in to request pics of the busty pin-up.

He said: "For me, Danni is the perfect woman. She's gorgeous, but she has lots of sex appeal too, and that's what I really appreciate."

"There's something about the Welsh accent that really turns me on too. Let's get Danni back in the Sport very soon!"

Your plea has brought you some glee, Lee!

HANNAH KAY

19, 34F-24-34 FROM FULHAM

FARMER Ken Talbot, from Axminster, Devon, says he keeps a pic of top-heavy Hannah Kay in his tractor to help him through all those long hours out in the fields.

The 46-year-old wrote: "It can get quite lonely when you're out there for ages, farming the fields - but just looking at Hannah never fails to lift my spirits."

"She's right up my street - a busty brunette, with a face like butter wouldn't melt."

"I can tell she'd make a cracking farmer's wife!"

Steady on, Ken - if you look at that pic too much, you'll be in danger of over-spraying your crops!

KINKY Charley Atwell says she loves to watch people having ANAL sex!

The stunning brunette is a massive fan of porn and reckons anal movies are her fave because they are so TABOO.

And cheeky Charley, 23, admits she's indulged in a bit of backdoor action herself!

The 34GG babe, from Loughton, Essex, said: "I love watching people having anal sex in porn films.

"It really turns me on because it's so naughty and taboo - it's something you shouldn't get up to!

"I've tried it a few times myself and I always feel really filthy when I do!"

We caught up with the horny model for a game of Would You Rather - and she spilled the beans on all her sizzling sex secrets.

ORAL - GIVE OR RECEIVE?

I prefer to give - I'm a generous & kind of girl! And I'm amazing at blowjobs too.

Seriously, I've never had any complaints! The trick is to pay attention to the whole cock and use your tongue everywhere. Don't just suck the tip - get right in there.

Suck and lick along the shaft and take the balls in your mouth too.

DOMINANT OR SUBMISSIVE?

Well, I can be dominant in the bedroom if that's what the guy goes for - but I much prefer to be submissive.

I like to be thrown around a bit and I even like a bit of light strangling - nothing too extreme though.

I'd never want a guy to actually hurt me, but I like that S&M thing where the guy is in control.

And I love the fantasy of having no say in the matter!

PORN - WATCH IT OR MAKE IT?

Definitely watch it! I love watching people having anal sex in porn films.

It really turns me on because it's so naughty and taboo - it's something you shouldn't get up to!

It's just a bit dirty and different. It gets me really horny.

NORMAL SEX OR ANAL SEX?

I prefer normal sex but I have tried anal sex a few times.

I always feel filthy when I do it. It's the same feeling as when I watch it in porn videos - it just makes me feel naughty!

ONE NIGHT STAND OR LONG TERM RELATIONSHIP?

I've had my fair share of one night stands, but the sex is always much better for me in a long-term relationship.

You know what they like, they know what you like and you can just let yourself go and be wild and carefree.

DO YOU DRESS UP IN BED OR PREFER TO STRIP OFF?

Strip off! I dress up in sexy lingerie and heels when I'm on shoots - it's my job!

Don't get me wrong, I've got some really sexy underwear and some great bedroom heels, but I much prefer being TOTALLY NAKED during sex.

I've got a banging body and I want to show it all off!

SEX INDOORS OR OUTSIDE?

Outdoors, defo! I've got a real thing for hot outdoors sex.

I once did it in the Red Sea in Egypt - that was amazing. It was such a turn-on because there were loads of people snorkelling around us.

We were doing it right near a reef - I'm sure the tourists who had come to look at the pretty fishes could see everything we were up to!

I've also done it in alleyways, in the car and on the way home after nights out. Alfresco action is really great!

SEX IN THE BATH OR THE SHOWER?

The shower - If you do it in the bath the water goes everywhere.

BONDAGE OR ROLEPLAY?

I prefer bondage. I love being tied up, blindfolded and then letting the guy have his wicked way with me.

I've got ball gags, handcuffs, ropes and chains. Introducing a bit of bondage action into the bedroom really spices things up. I have a whip too - but I tend to use that on the guy!

FAST OR SLOW ACTION?

Definitely fast - I like to really get into sex and I like it to feel passionate and wild.

Slow sex is just so boring!

ARE YOU A BIT OF A SCREAMER IN THE BEDROOM OR A QUIET DILLY?

Oh, I'm a screamer. I'm really loud during sex!

BOOBS OR BUM?

I prefer my boobs

FRENCH KNICKERS OR THONG?

Thong

NIGHT OWL OR EARLY RISER?

I'm a night owl - mornings are less fun for me.

SHAVED OR GROWN OUT?

Shaved - always!

THE hulking metal statue The Angel of the North has famously got its arms and wings spread out over nearby Newcastle.
But Michelle, 20, had her LEGS, not her arms, akimbo after she took a dirty detour to the famous landmark.
She said: "My boyfriend and I had been up to Edinburgh and we were driving back to a holiday cottage we'd rented in north Yorkshire.
"It was quite late at night and no-one else was around, so we stopped the car and walked up the hill to take some pictures.

Romping

"One thing led to another, and before I knew it, we were doing it doggy-style up against the Angel's foot!
"I don't think anyone saw, as we were hidden by a big metal girder.
"But it's quite close to the busy A1, so I've got a funny feeling one or two motorists might have had a cheeky little peek at us romping away!"

WHEEL-Y fit Rose once made a carriage on the London Eye STEAM-UP thanks to her X-rated shenanigans

She told us: "Last summer my boyfriend proposed to me during a trip to London.

"He splashed-out around £500 for us to have our own private capsule on the London Eye and he got down on one knee as we approached the very top.

"The views out over the river were so romantic and we'd both had quite a bit of champagne.

"I got completely caught up in the moment, and before we knew it he was lying on the floor and I was straddling him with my skirt hitched up around my waist!

"It was a very short romp but very sweet.

"By the time we'd finished some of our windows had steamed up! (God knows what the workers on the wheel thought was going on but I'm pretty sure they had their suspicions!"

THE results of a MONUMENT-al new survey are in - and the vast majority of kinky British women have bonked at a famous LANDMARK!

The UK is dotted with eye-catching tourist attractions, from the White Cliffs of Dover in the south to the Forth Bridge in Scotland.

And, according to a new poll, they've all been characterised by lusty SHAGGERS!

The research, conducted by an independent travel agent in London, found that a staggering 65 per cent of women polled said they're dropped their knickers while visiting a cultural icon.

Castles and historic houses proved the most popular with adventurous bonkers as they made up 35 per cent of the X-rated locations thanks to their isolated setting and the fact they boast quiet rooms and corridors to get jiggy in.

Other rural places mentioned in the survey included the Corne Abbas Grotto - a hillside chalk painting in Dorset famed for its big erect rock - and the cleavage-like Avon Gorge, near Bristol.

Meanwhile, 15 per cent of those who had romped next to a famous attraction said they'd actually been CAUGHT in the act by stunned passers-by.

Brazen

A spokesman for Landmark Travel Inc - who conducted the research - said: "When it comes to tourism, some of us are happy to take some photos before buying a postcard in the gift shop."

"But it seems many Brits want to make their own happy memories while visiting a famous place by having a quick BONK there too."

"Even we were surprised by the brazen nature of some sightseers."

"And it's even more startling that many consenting couples are being caught at it."

Some more unusual locations mentioned in the poll included the disused Battersea Power Station, underneath Brighton Pier, and on the steps of London's St Paul's Cathedral!

Here we asked three of our hottest honeys which famous landmarks had left them with a big grin on their faces

SOME new-age experts reckon the ancient rocks of Stonehenge boast magical healing powers.

But Sam reckons Wiltshire's prehistoric monument boasts a secret energy...that makes people feel HORNY!

She said: "I had a picnic on the grass with my boyfriend next to Stonehenge this summer."

"We were just near the ropes that fence it off the public."

"But even from that distance, I swear the stones worked their magic on me!"

"I suddenly started feeling unbelievably horny. I can't describe how weird it felt."

"I put a blanket over my lap and made my boyfriend work his own magic with his fingers underneath my skirt."

"Even though we didn't have full sex, I experience the most amazing, mind-blowing orgasm."

"I had to take a bite out of a sandwich just to stop me moaning and groaning at full volume!"

MIDWEEK Sport SEX HEALTH

Is that it?

SEX IS OVER QUICKER THAN WE LIKE TO ADMIT!

MEN of Britain: hang your heads in shame.

Because a new survey of women has revealed that an average bout of sex lasts just **TEN MINUTES**.

Last year a separate study found that a lady's 'perfect day' consisted of a whopping 106 minutes of 'sexual intimacy'.

But new research by top girly mag *Glamour* found that those X-rated expectations are WAY off the mark.

A frustrated 28 per cent – the largest proportion – of females quizzed said that sex lasted between 10 and 14 minutes.

An even more pent-up eight per cent said that a bout of bedroom action lasted 'less than five minutes'.

And we're no better at foreplay, either. The average time spent getting the wheels in motion was 'five to nine minutes' – barely long enough to make a Pot Noodle.

And just seven per cent reported that foreplay lasted for longer than 20 minutes.

Penn State University, Alicia Graadey, commented. "Many men and women seem to believe the fantasy of all-night-long intercourse. This situation seems ripe for disappointment and dissatisfaction."

Before you stick your head in the oven, try not to worry, because hope is not all lost. Another new survey by condom firm Durex reveals that sex gets better over time – which gives you the chance to up the length of your game!

Susie: how to make sex last longer

BUSTY sexpert Susie Summers, 27, reckons letting HER take control in the bedroom is a sure-fire way of making sex last longer.

The 32E lovely, from Sale, Greater Manchester, told us: "It's a well-known fact that most women take a little longer to get warmed up in the bedroom than men."

"So why not let her lead the way? It's the one guaranteed method of helping your

love-making last hours, not milliseconds!

"Girl-on-top is a brilliant way of 'keeping the wolf from the door', as a man's penis is less stimulated than in some other positions."

"And don't be afraid to use the start-stop technique. If you can feel an orgasm brewing, stop and rest for 15 seconds while continuing to touch her."

"It'll give you chance to recover, and it'll drive her

bonkers with lust too. You could even ask her to bring you off before you even start having sex – that way you get plenty of time to recover your juices while you're paying attention to her body."

Brilliant

"And if you give it long enough, you'll be ready to go again for round two!"

"You can get brilliant desensitising condoms these

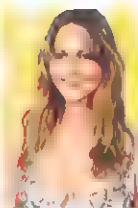

days, too, which contain a special gel that numbs the end of your penis."

"This will stop you blowing your load too early."

"And failing that, just try the old-fashioned technique – a glass or two of wine!"

"Just be careful not to overdo it with the booze."

"Drink too much and you risk not feeling a bloody thing AND having to stop to be sick in the toilet!"

Fame driving movie stunna Jennifer mad

MOVIE babe Jennifer Lawrence has admitted that being famous is driving her mental.

The American actress shot to fame in 2012's *Hunger Games*, and won a Best Actress Oscar earlier this year for her role in *Silver Linings Playbook*.

But Jennifer (above), 23, says being such a celeb has resulted in her having a near 'meltdown'.

She admitted: "I'm kind of going through a meltdown about it lately."

"All of a sudden the entire world feels entitled to know everything about me, including what I'm doing on my weekends."

"But I always knew I was going to be famous."

The babe is thought to be dating jammy Brit actor Nicholas Hoult, 23, after meeting him on the set of *X-Men: First Class*.

Kelly's little ball secret!

STUNNING athlete Kelly Sotherton has confessed that she used to take a football to school to snare a boyfriend.

Kelly (above), who went on to juggle racy modelling shoots with a successful heptathlon career, devised the plan while growing up on the Isle of Wight.

"I was the one who bought the football in," said the 36-year-old, who won a bronze medal for Britain at the 2004 Olympics.

"It wasn't a great ball, just any ball you could kick, but the reason I did it was to find myself a boyfriend."

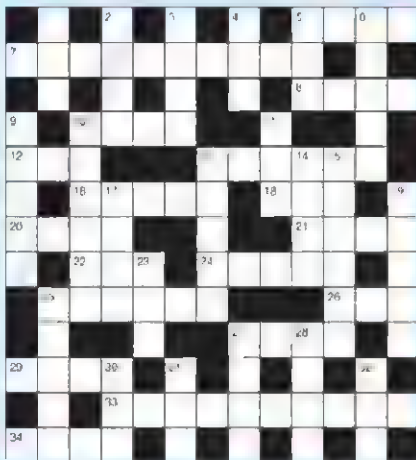

"I was about 10 or 11 and the boys used to love it. They'd be like 'Yeah, Kelly's bought a football in!' So I would be hanging out with the boys."

"I never got any stick from any of the girls as they never caught on what I was trying to do. It was my little secret!"

Dear Morgan,

I WAS at a mate's wedding reception the other week. As is tradition I had a few beers, and then needed a pee. So I headed into the gents, where I heard moaning from one of the cubicles. I thought it must be a randy bridesmaid, but then I heard a bloke cry out the name of my mate's new bride. I quietly got into the next cubicle and peered over the top to see her there, gorging on the wedding photographer's cock. The dirty devil must have f**ked away for 15 minutes before they came out. I even heard her at one point tell him to "take me up the arse". I was shocked and it'll break my mate's heart if he finds out his wife's cheated. But if I keep my trap shut she'll probably just keep shagging random strangers behind his back and I don't think I could live with the guilt of knowing. Help!

FG, Lancs

Morgan says...

YOUR mate needs to know what's going on with this harlot. He can't stay married to a woman who always cheats.

Dear Morgan,

EVERY year about this time my missus starts pricing up trains to London. October 3 is our wedding anniversary and we leave the kids with neighbours for our usual trip to the capital. That's where we met - on the train to London. I'm an electrician and got offered rewiring work in the West End. Within seconds of sitting down, there she was looking so stunning I got a hard-on straight away. Her 34D rack was jutting out while her short skirt rode up to show the curves of her bum. We got chatting and after a while we were all over each other. I had my fingers in her pants before we reached Watford and she was tickling my eight inch. She then rode me to a climax in the loos before giving me the best blowjob I'd ever had. Every year since we have repeated the truce but this time she wants to go separately, pretend we've never met and go for it in full view of all the other passengers. What do you reckon?

DM, Cheshire

Morgan says...

SOUNDS like she's certainly got a full head of steam up. Give her the ride of her life but make sure you don't get shunted by the railway cops.

Dear Morgan,

MY girlfriend likes to watch me have sex with other women and then enjoy some lesbo fun with the same girl. We usually go to a club and invite a likely bird to our place. Last week I pulled a busty blonde and she did a sex strip for us both in the lounge before she sucked me off. My girlfriend was naked and playing with herself as she watched. After I'd spunked down the blonde's throat, we all went to the bedroom where they got into the 69 position. I wanked myself off as they licked at each other's love holes. Then I boned the blonde from behind as she continued to lick out my bird. Then I did my girl as she licked out our new partner. It was all very satisfactory but now the blonde has moved in with us and I fear that she is the centre of attention for my girl. What's gone wrong?

AGONY

WITH **Morgan Lees**
Age 22, 32E-25-34, from Derby

I bagged a naughty minx in her 50s at my aunt's funeral

Dear Morgan,

I'VE just read in your excellent Agony column about the bloke of 29 who recommended having an older woman to keep him feeling young.

He's bloody right! At my aunt's funeral I sat next to a woman in her 50s wearing the horniest perfume I've ever smelled.

I'm 26 by the way. In the pub afterwards she just oozed sex and class. I introduced myself and it soon became clear what we both wanted.

I left the booze and about 10 minutes later she joined me outside, in a dirty little alleyway

strewn with beer bottles and other unspeakable detritus.

We decided this was not a suitable arena for what was to follow, so I suggested going back to my place.

As soon as we were inside my flat she gave me the softest kiss I have ever had.

She took half an hour to undress me and her hands and mouth were everywhere.

Fingered

She then disrobed herself and stood before me naked and totally confident.

I covered her from head to toe in spunk over the next few hours. I've seen her since and she's up for absolutely anything.

I have shagged her while my nextdoor neighbour videoed us. She also gave me a blowjob and

fingered herself while all my mates watched in the pub.

She went for a walk with me totally naked and we ended up screwing in the trees.

She said her husband doesn't mind and would rather play golf than whack one up her furry fairway.

But she has told me he would really like to watch while I pork her.

I'm not entirely convinced by this but don't want to ruin my relationship with this fantastic lady.

What should I do?

KH, Leeds

Morgan says...

PERHAPS you could send him the video you made and see if that does the trick.

Dear Morgan,

I WORK in a shop with two girls - one is a blonde in her 20s and the other is 34 with a body to die for.

The shop used to be run by an old man but he passed it on to his niece, who is a redhead aged 24. I'm 44 but she is always bossing me about.

The other week she called us all in to the back room and said we had to be searched because someone had stolen a pair of knickers from her sports bag.

When she pulled down my trousers I was wearing them and a pair of her stockings.

She said instead of calling the cops she'd handle the punishment herself.

She spanked me across my bare bottom. Then the blonde had a go and so did the 34-year-old - with a belt!

I was crying by the end of it, but also strangely turned-on.

Although I'm fairly kinky, this has brought a whole dimension to my twisted fantasies.

What should I do?

WW, Kent

Morgan says...

IT sounds like you enjoy being a bad boy - so keep it up.

Dear Morgan,

I'VE backed myself into a corner with my girlfriend and I need your help.

We make love about twice a week but from my point of view it's not enough.

So I have been getting a nookie top-up from my secretary at work.

It's been going on for months now. It started when I took her for a meal after we'd worked hard on a project all week.

I went back to her place and we had steamy sex. Since then I have had shagging on tap.

It's wonderful because she is as sex crazed as I am and we seem to do it whenever and wherever the fancy takes us.

Just last week I was writing a letter to her and instead of "Yours faithfully" I said "Spread your legs".

She did it instantly and I came round from my desk and fingered her.

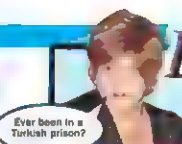

I hitched up her skirt, she dropped her keks and I rammed her over the desk.

The problem is that I fear my girl suspects. How can I get out of this?

GR, Co Tyrone

PERKY Blinders!

DOUBLE
DELIGHT:
Sophie

Gangster drama star Sophie's Rundles of joy!

By JUSTIN DUNN justin@sundaysport.co.uk

STUNNING Sophie Rundle turns up in glossy new ITV1 gangster series *Pesky Blinders* this week.

But viewers will be disappointed to learn that – this time at least – she won't be unveiling her GANGSTA BAPS!

Gorgeous Sophie, 24, plays Ada Shelby – a member of one of the notorious crime families who used to terrorise Birmingham between the two world wars.

The *Pesky Blinders* were so called due to their practice of sewing razor blades into their caps, which they'd ruthlessly use on rivals who got in their way

Crazed

But while Sophie stays under wraps in Brum, she was more than happy to get them out in an episode of BBC2 comedy *Episodes* with *Friends* hunk Matt Le Blanc – playing a crazed fan called LABIA!

One ITV source said: "Sophie is a wonderful actress with an ability to take on all roles presented to her. She's very diverse and an asset to any production."

Enders babe Sam shows her...

BLIMEY, Ronnie – get yourself up them apples and PAIRS!

Sexy Samantha Womack returns to Albert Square this week as her character Ronnie Mitchell is finally released from prison, having served her time for stealing Kat's baby.

As *EastEnders* is without doubt the most depressing programme ever to grace a British television screen, don't expect her days on the outside to get brighter any time soon.

But at least the sight of blonde Sam, 40, will be cheering up the Walford soap's dwindling band of male viewers.

Producers should take a

leaf out of the actress's own book – and make full use of her lovely looks.

She went NAKED for a girly shower scene in the 1998 film *Up 'n' Under* – and in the same year appeared topless in the flick *Breeder* and telly series *Imogen's Face*.

She'd also had her boobs out on camera during a bed scene with an older man for the 1991 production *A Murder of Quality*.

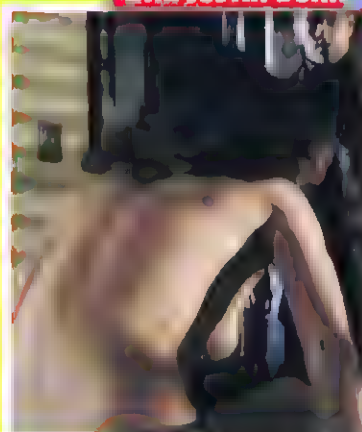

A relieved *EastEnders* insider said: "It's so bloody gloomy round here that just having Sam on set lights up the place."

CLEVER PLOY: Khan

Khan: No.1
Mayweather
so handy at
picking 'em

BOXING

AMIR KHAN has accused Floyd Mayweather of hand-picking opponents.

The Bolton star will be in Las Vegas on Saturday when Mayweather challenges WBA super- and WBC light-middle-weight champion Saul "Canelo" Alvarez.

It is potentially the richest fight of all time, and there is serious talk that Khan could be next in line for unbeaten Floyd.

Khan said: "Floyd is very smart. He picks his fighters at the right time."

"Look at the names he has picked and when he picked them."

"I think the only fighter in his prime that he beat was someone like Ricky Hatton. He might have avoided the likes of Manny Pacquiao."

"He fought Oscar De La Hoya and Miguel Cotto at the right time, but Miguel still caused him a lot of problems."

"He fought Shane Mosley at the right time too. He would've been a dangerous opponent 10 years ago."

"It's all about timing in this game. It's about picking the right people at the right time, fighting the guy when you know you're going to beat him."

Stronger

"Mayweather is the money man so everyone wants to face him but he's catching everyone at the right time."

And although there is plenty of support for Alvarez in this weekend's showdown, Khan believes the world's No.1 boxer has got it right again.

He added: "Canelo's a little bit younger and maybe in two or three years time he will have naturally grown into a man, will be stronger and have more experience."

"Maybe Mayweather is catching him at the right time because he thinks he can beat him now but down the line Canelo will be getting stronger."

"It's a huge fight and I think it will be an exciting fight, but I've got to edge towards Mayweather."

"He's more experienced and Canelo might still be a bit too young. Plus I don't think he has the speed that will cause Mayweather problems."

● Mayweather v Alvarez is live on BoxNation (Sky437/Virgin546) at 1.30am Sunday morning.

Chis eyes **FOUR** midable run

DAVE CHISNALL has set his sights on a place in the world's top four after claiming the biggest win of his career at the German Darts Championship.

The 32-year-old from St Helens picked up the £20,000 first prize in last weekend's event in Hildesheim, beating Peter Wright 6-2 in the final to claim his seventh PDC title.

He has leapt to seventh in the PDC Order of Merit, and having reached the quarter-

DARTS

finals of the World Matchplay in July he is being tipped as a potential Premier League Darts star next year.

But the former Lakeside Championship finalist is looking to take his form into next month's World Grand Prix and this year's remaining majors in a bid to break into the world's top four. Chisnall

said: "I want to keep climbing and hopefully I can get into that top four now."

"I'm not thinking about the Premier League - I just want to keep doing well in the floor competitions and the TV events, which I'm happy with at the moment."

"The European Tour events are like playing in a TV tournament anyway because you're on stage in front of big crowds, and they're amazing to play in."

I want to do well in the majors and hopefully this is the first of many big titles."

Chisnall had hit two 170 checkouts in Germany, before storming past Wright in the final.

"I had two good events last year where I got to the final but I played Phil Taylor and Raymond van Barneveld, but this was my time," he added.

ASHLEY GILES believes his old captain **Michael Vaughan** tweeted harshly and "in haste" that a partial ticket refund should be in order after England rested five first-choice players for the one-day games.

A team minus captain Alastair Cook, his 50-overs opening partner Ian Bell and frontline bowlers James Anderson, Stuart Broad and Graeme Swann came unstuck in an 88-run defeat against Australia at Old Trafford.

The same understated line-up, give or take one emerging player for another, must try to battle back from 1-0 down with three to play at Edgbaston.

Vaughan responded to the announcement of England's squad, prior to Australia's easy win in Manchester, by calling for cash-back for anyone who thought the event might have been mis-sold.

Exciting

Asked about the opinion voiced by his former Test captain, Giles said: "It's harsh - I think it was said in haste by Michael."

But the ex-spinner knows the one-day team will be ready for the next World Cup in Australia and New Zealand in 2015 adding: "This is an exciting side to watch. There's Kevin Pietersen, and Michael Carberry's an exciting batsman at the top of the order."

"Then you go Jonathan Trott, Joe Root, Eoin Morgan, Ravi Bopara, Steven Finn - there are some good names there. Then you have the

youngsters. I'd hope cricketers fans would want us to bring through some of our youngsters and expose them to what is one of the harshest of environments - playing in Australia."

Giles acknowledges it is a tough challenge for a raw talent, but is confident all-rounder Ben Stokes - and others in his squad - have great potential.

"You don't get ready-made replacements for people like Broad, Bresnan, Anderson," he continued. "So this exposure is crucial."

"It's hard on these young guys, but we're asking them to do it because we believe they can."

Australian Adam Voges is confident Mitchell Johnson will continue responding to the jibes of English crowds simply by taking more wickets.

"The crowd don't miss him, do they?" Voges asked.

"Every chance they get, even up in Scotland."

"But I actually think he relishes it."
